

6x6x4 stainless steel junction box

6x6x4 stainless steel junction box

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

The Saginaw Control & Engineering SCE-606CHNFSS6 is designed for use as electrical junction boxes, terminal wiring boxes, instrument housings, and electrical control enclosures.

Saginaw Control & Engineering SCE-606ELJSS is a single door junction enclosure. It is made from 0.063" 304 stainless steel with a #4 brushed finish and measures 6" H x 6" W x 4" D (152.4mm x 152.4mm x 101.6mm). Houses electrical components, instruments, and controls for hose down applications or those that are in wet or oily environments.
