Amsterdam solar energy storage

Solar Solutions Amsterdam is the largest exhibition for professionals in renewable energy in the Netherlands. Now the solar market has grown, it's time for the next step. Solar Solutions Amsterdam displays more than 500 innovations and over 100 practical seminars concerning the latest in energy storage, smart products, and an ever evolving array of solar panels.

Join us at Solar & Storage Live as we spearhead the revolution towards a brighter, greener future! Our mission is to accelerate the adoption of solar energy propelling us towards a global landscape powered by clean, renewable energy sources.

We do this by creating large scale local exhibitions spanning the globe. Each show brings together the titans of solar and storage manufacturing alongside dynamic local players and distributors.

Our events attract large local audiences from installers, commercial and industrial users, property and land owners and utility companies. All eager to source solar and storage solutions to drive a change in their community.

Our Solar & Storage shows bring together the titans of solar and storage manufacturing alongside dynamic local players and distributors. In 2024 over 3,000 companies are exhibiting at our shows. To sponsor or exhibit at one of our events, complete this form and we'll get back to you.
