

Athens utility-scale energy storage

Athens utility-scale energy storage

Frank Niendorf, General Manager Europe at JinkoSolar, commented: "We are thrilled to partner with KIEFER in this brand-new era of solar energy storage systems in Greece. This emblematic project is the first utility scale storage system to be installed in connection with photovoltaic system awarded in Greece and we are excited to embark on this journey with a partner like KIEFER, whose dedication to green transition through innovation aligns perfectly with our own vision, to take responsibility for enabling a sustainable future by providing a one-stop solution for clean energy."

"We're delighted about this partnership with Jinko," said Christos Petrocheilos, General Manager at Kiefer. "SunTera perfectly aligns with our sustainable energy vision, and we believe this collaboration will greatly benefit our customers."

JinkoSolar (NYSE: JKS) is one of the largest and most innovative solar module manufacturers in the world. JinkoSolar distributes its solar products and sells its solutions and services to utility-scale, commercial and residential customers in China, the United States, Japan, Germany, the United Kingdom, Chile, South Africa, India, Mexico, Brazil, the United Arab Emirates, Italy, Spain, France, Belgium, Netherlands, Poland, Austria, Switzerland, Greece and other countries and regions.

JinkoSolar had 14 production facilities globally, 26 overseas subsidiaries in Japan, South Korea, Vietnam, India, Turkey, Germany, Italy, Switzerland, the United States, Mexico, Brazil, Chile, Australia, Canada, Malaysia, the United Arab Emirates, Denmark, Indonesia, Nigeria and Saudi Arabia, and a global sales network with sales teams in China, the United States, Canada, Brazil, Chile, Mexico, Italy, Germany, Turkey, Spain, Japan, the United Arab Emirates, Netherlands, Vietnam and India, as of March 31, 2024.

(JinkoSolar, 21.Jun.2024) -- JinkoSolar Holding Co., Ltd. entered into a Heads of Terms with KIEFER to supply its large scale battery storage, SunTera to Athens International Airport (AIA), hence supporting its commitment to achieve Net Zero Carbon Emissions by 2025. When completed, AIA will operate one of the largest self-consumption systems in an airport facility worldwide, and will be the first International Airport globally with 100% self-consumption.

Frank Niendorf, General Manager Europe at JinkoSolar, commented: "We are thrilled to partner with KIEFER in this brand-new era of solar energy storage systems in Greece. This emblematic project is the first utility scale storage system to be installed in connection with photovoltaic system awarded in Greece and we are excited to embark on this journey with a partner like KIEFER, whose dedication to green transition through innovation aligns perfectly with our own vision, to take responsibility for enabling a sustainable future by providing a one-stop solution for clean energy."
