

Cape town lithium-ion batteries

Cape town lithium-ion batteries

1.1 These Terms and Conditions govern the agreement between CapeTown.Solar and the client for the provision of SolarBot and HotBot services. By subscribing to our services, you agree to abide by these terms.

The 2.4kWh Shoto SDA10-4850 Lithium-Ion Battery is purpose-built for maximum energy storage and stability. With its core function namely for the telecommunication industry, the Shoto battery is highly robust and long-lasting.

The 2.4kWh Shoto SDA10-4850 Lithium-Ion Battery technology of Shoto allows for heat temperatures to reach between 50 – 55 degrees and with internal cooling and BMS it is perfectly stable and balanced.

The 2.4kWh Shoto SDA10-4850 Lithium-Ion Battery is an ideal replacement for lead-acid (Sealed, Flooded, and AGM batteries) and is suitable for most inverters where you can set custom battery parameters.

The 2.4kWh Shoto SDA10-4850 Lithium-Ion solar battery has a built-in BMS, and can easily be set up in the same way you would set up lead-acid batteries with no communication between batteries and the inverter needed and no communication between batteries set up in parallel.

Solar Batteries | Lithium-Ion | Shoto Langebaan - Vredenburg - Saldanha - Hopefield - St Helena Bay - Velddrif - Jacobs Bay - Moorreesburg - Yzerfontein - Cape Town
