

Duracell Original DR7-12 Valve Regulated Sealed Lead Rechargeable Battery

Duracell Original DR7-12 Valve Regulated Sealed Lead Rechargeable Battery

This Duracell VRLA 12V 7Ah sealed lead acid battery provides the best quality power for your SLA-powered devices - just what you'd expect from a brand like Duracell. With its low self-discharge and float and cyclical applications, the battery is guaranteed to be there to empower you even when mains power fails you. SLA batteries from Duracell - a name you can trust.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyses reviews to verify trustworthiness.

".. in around 2 hours, with the charger I have I also like the small size, the only thing I don't like are the spade connectors they are a bit to..." Read more
