If you have not received your item(s) beyond this time, you are eligible for a full refund after we have conducted a postal investigation.

Package Includes 18x Bifacial 195W Mono Solar Panel 1x All-in-one Inverter (5000W 48V Inverter+80A MPPT Controller) 1x 5M 12AWG Extension Cable with MC4 18x Z Mounting Bracket Battery Bank Options-4.8kWh Lithium Battery Bank (optional) with 1x 1.5M Tray Cable 4x 100Ah 12V LiFePO4 Lithium Battery

My 3600W system is now installed and running perfectly. The components were delivered quickly and assembly was straight forward. The kit includes all the key components needed for a system. I added a breaker/ transient protector between the panels and controller inverter, a breaker between the battery pack and inverter and a small consumer unit on the 230V output. I also added a battery balancing unit to the battery

Eco worthy 2kw 5kw

pack. The system has run standard domestic loads with ease.
