## Electric car charging station in mumbai

Welcome to your essential guide to electric vehicle charging stations in Mumbai, India's bustling hub of innovation. As Mumbai leads the way in India's electric vehicle revolution, we're here to help EV owners navigate the city's expanding network of charging stations. Discover convenient and efficient charging locations in the city that never sleeps, and join us in driving Mumbai's sustainable future.

To check the pricing details for any location on the map, simply click on the pin icon. You'll find a cost field that displays pricing information shared by others who have used the charger. In some cases, pricing details are also included in the charger's description. Please note that for certain locations, pricing information may not be available.

To identify Tesla-compatible charging stations, select a station pin on the map. Review the station details for information on available connectors; Tesla-compatible stations will typically list Tesla-specific connectors. Additionally, consider checking user reviews and comments for valuable insights.

Each charging station is rated based on user experiences, ranging from 1 to 10, with 10 indicating the highest satisfaction. Negative user reports lower a station's score, while positive reports increase it. Neutral comments and check-ins do not influence the overall score. It's also beneficial to peruse location comments for a better understanding of the rationale behind each rating. You can find PlugScores through the Station Summary icon on the map.

Another interesting destination for EV owners is the coastal town of Alibaug, located just over 100 kilometers south of Mumbai. Alibaug is famous for its beautiful beaches, historic forts, and lush gardens. The drive from Mumbai to Alibaug is scenic and enjoyable, with the route passing through several charming villages. With the increasing number of charging stations in and around Alibaug, it is an ideal destination for a day trip or a weekend getaway in an electric vehicle.
