The 55th anniversary of the Ceylon Electricity Board (CEB) was commemorated at CEB Headquarters. The Chairman of CEB, Dr. Tilak Siyambalapitiya, participated in the event as the Chief Guest.

Eng. Pubudu Niroshan, Board Member of CEB, along with Eng. K. G. R. F. Comester, General Manager of CEB, other senior executives, and CEB staff, were also present on this occasion.

In line with His Excellency the President's "A Thriving Nation - A Beautiful Life" policy framework, aimed at encouraging local companies to bring capital and technology for energy projects, the Ceylon Electricity Board, Sobadhanavi Limited, and nine local banks (Hatton National Bank, Sampath Bank, Commercial Bank, Nations Trust Bank, NDB Bank, People's Bank, National Savings Bank, Cargills Bank, and Bank of Ceylon) signed a direct agreement yesterday (October 10th) at the CEB Headquarters ...

Ceylon Electricity Board has informed that due to the existing shortage of paper, the method of giving pre-printed bills which has been followed so far in issuing electricity bills will be changed. Accordingly, several alternative methods of paying the electricity bill have been introduced. 1) By SMS 2) Through an app 3) By email 4) Thermal printed bills for those who do not understand the essentials or the above methods

1) By Short Message (SMS) -- After reading the monthly bill, the monthly electricity bill will be sent to the telephone number registered with CEB through a short message (SMS). To register for this, you can get the support of the CEB representative who will visit the premises to read the meter. Or you can register yourself by sending a text message.

3) E-Bill (e-Bill) service for receiving electricity bill through email has been started. Electricity consumers of the Electricity Board can register for the e-Bill service by visiting the website [ebill.ceb.lk](http://ebill.ceb.lk) in addition, it is also possible to register in this service by typing

4) Thermal printed bills of the type issued in supermarkets are issued only for those who find it difficult to follow the above methods or have other needs and such bills can be requested by contacting the monthly meter readers. Only those who request will be given.

Lanka Electricity Company was set up in 1983 as a state owned company registered under the Companies Act. The company was assigned the endeavor of operating the dilapidated electricity networks once owned to the local authorities and taken over. [Read More](#)
