ACWA Power signs financing agreements for USD533 million Tashkent Riverside project in Uzbekistan
Summary ? The project includes a 500MWh battery energy storage system - the largest in Central Asia - and a 200MW solar plant ? Financing documents were signed with six lenders including the European Bank for Reconstruction and Development (EBRD), Islamic Development Bank, DEG, Proparco, Standard ...

The Energy Central Power Industry Network® is based on one core idea - power industry professionals helping each other and advancing the industry by sharing and learning from each other.

If you have an experience or insight to share or have learned something from a conference or seminar, your peers and colleagues on Energy Central want to hear about it. It's also easy to share a link to an article you've liked or an industry resource that you think would be helpful.
