Receipts for contactless payments can be downloaded here. For payments via Apple Pay or Google Pay, enter the last 4 numbers of the virtual card stored within your phone wallet.

We work with a range of partners to provide you with the best charging experience - this includes setting up roaming agreements with other charge point operators so that you can access with ease as wide a network as possible through us, without having the need to have multiple accounts and Apps. We also want to make charging as straightforward as possible for our various partners and their customers, by giving them hassle-free access to our network.

Allstar One Electric card holders are welcome to use our public charge points. Follow the instructions on the charger to charge your vehicle with your Allstar One Electric Card.
