

Gravity energy storage bloemfontein

Gravity energy storage bloemfontein

leader in sustainable, grid-scale energy storage solutions, today announced that it has signed a new licensing and royalty agreement in the Southern African Development Community (SADC) region. The agreement was executed in Q4 2023 with Gravity Energy Storage Solutions (Pty) Ltd (GESSOL), a consortium company focused on energy storage deployments in Southern Africa, and includes one of the ...

The Energy Central Power Industry Network® is based on one core idea - power industry professionals helping each other and advancing the industry by sharing and learning from each other.

If you have an experience or insight to share or have learned something from a conference or seminar, your peers and colleagues on Energy Central want to hear about it. It's also easy to share a link to an article you've liked or an industry resource that you think would be helpful.
