Huawei battery price

A: This service needs to be booked within 90 days after purchase. If this service should not be booked within that time, an automatic refund will be issued for you and your Official Battery Replacement Service rights will no longer be valid.

A: You can send your device to us by using the postal repair service. A battery replacement through postal repair usually takes 14 working days from the day when the device arrives at our HUAWEI Service Centre (while the battery is in stock).

A: HUAWEI Authorised Service Centres will inform you if your battery replacement cannot be processed. If no battery spare parts are available, we will give you an approximate date of when new stock will become available. If this is not convenient for you, please note that an automatic refund will be issued after 90 days of purchase when the replacement service has not been booked. Alternatively, please contact us via email to request a refund.

iParts4U brings you a comprehensive range of genuine UK Huawei battery replacements, priced competitively for professional technicians. Our Huawei phone batteries are selected for their reliability and longevity, ensuring your clients' devices run like new. Benefit from our quick dispatch, extensive warranty, and straightforward returns policy, making us your trusted partner for all Huawei battery needs.
