## Jackery lifepo4

The Jackery Explorer 300 Plus incorporates a LiFePO<sub>4</sub> battery, making it more compact and lighter compared to alternative products, weighing just 3.75kg, enabling easy portability wherever and whenever needed.

Our products showcase packaging that is both fully eco-friendly and recyclable, with zero emissions, underlining our commitment to sustainability and the environment. Jackery has achieved a pioneering status within the industry by obtaining Carbon Footprint Verification from T?V S?D. This recognition encompasses a range of products, including the Jackery Plus Series 300 Plus/1000 Plus/2000 Plus, Pro Series 2000 Pro/1500 Pro/1000 Pro, and SolarSaga Series 80W/100W/200W.

\* This product (portable power supply) can supply power to your device in the temperature range of -10 to 40 degrees Celsius (-10 to 65 degrees Celsius for solar panels). If the operating temperature is outside the above range, this product may not work.
