

LONGi Solar Hi-MO X6 Explorer 535w Black Frame Solar PV Module

LONGi Solar Hi-MO X6 Explorer 535w Black Frame Solar PV Module

If the time has come to install solar panels on your home, LONGi Solar is the right choice. Committed to more sustainable and eco-friendly future, LONGi Solar's cutting edge cutting-edge HPBC cell structure creates a new benchmark in PV module technology, providing a dependable and cost-effective solution.

LONGi's latest HPBC cell technology heralds a ground-breaking era in mass-producing high-efficiency cells, spearheading the industry's reform. With LONGi HPBC cells boasting efficiencies surpassing 25.5% and HPBC+ cells achieving over 25.8%, a new benchmark has been set for solar innovation.

LONGi Solar's introduction of the Hi-MO X6 product family represents a significant stride forward, providing an array of options to address varied global demands and ushering in a fresh era of sustainable energy practices.

LONGi Solar manufactures panels that offer customers plenty of fantastic benefits, including increased power output, minimised degradation, and enhanced reliability. Trusted worldwide, LONGi Solar's high-efficiency PV modules are used everywhere.

If you change your mind about the product when you receive it you can notify us any time within 30 days and return it for a full refund at your own cost. Any refunds will be made within 30 days of receiving your returned item. You are expected to cover the cost to return the item and your initial delivery charge will not be refunded.
