Manila cost savings

The median after-tax salary is \$552, which is enough to cover living expenses for 0.7 months. Ranked 4217th (TOP 45%) in the list of best places to live in the world and 3rd best city to live in the Philippines. With an estimated population of 1.85M, Manila is the 2nd largest city in the Philippines.

Livingcost is a crowdsourced database with a cost of living calculator for prices comparison in 9294 cities in 197 countries all over the world. The cost of living calculated as a consumer basket for a moderate lifestyle in developed countries and thus might seem too high for some least developed countries where maintaining such a standard of living is expensive.

Whether you're retiring, temporarily relocating, or moving to Manila for good, it's helpful to have a picture of what life there will cost as an expat. Using Wise could help you reduce your overall costs. Now you can send, receive, and organise your money internationally, without hefty fees.
