

Multicoloured Indoor amp Outdoor Solar Powered Mood Light

Multicoloured Indoor amp Outdoor Solar Powered Mood Light

Add that wow factor to any indoor or outdoor space with these stunning colour changing mood lights. Shapelights can be used as portable USB chargeable battery powered lights, solar powered lights or mains powered lights giving you complete freedom of positioning anywhere in your home or garden. Select your favourite colour or let your Shapelight gently cycle through different colours.

Shapelights bring atmosphere to any indoor or outdoor space. They can be set to gently cycle through red, green, blue, purple, pink and light blue or you can set them to stay on your favourite colour. Shapelights also offer a brighter white and warm white setting which are noticeably brighter than the colours.

Shapelights are perfect for adding atmosphere to outdoor spaces. The base inside Shapelights contains a hidden solar panel which charges up from the sun through the shape shell. Shapelights are also USB chargeable which is perfect if you don't have a good solar charging location, or as a backup during dull weather spells. A full USB charge takes just a few hours and will provide 7 nights of illumination without any help from the sun. Outdoor Mode your Shapelight will turn on automatically after dark and turn off 7 hours later which conserves charge for subsequent evenings.

Standard Delivery to mainland UK is completely FREE of charge on all orders within mainland UK. Locations outside of mainland UK will incur an additional delivery fee, please confirm this with our team. All Deliveries for Northern Ireland must obtain a quotation from our customer services team prior to placing an order, as some orders may be subjected to additional fees.

Standard Deliveries are made Monday to Friday between 8am to 9pm and Saturdays 8am-1pm (excluding public holidays). All orders are delivered in full, when all items are available unless otherwise requested. Items that are in stock, we endeavour to deliver within 5-10 working days of your order being placed. Please note this does not include deliveries where an install is booked, these dates would be confirmed via customer services.

After your item(s) have been returned to us, our customer service team will arrange a refund back to the original payment method. The collection charge for unwanted goods may be deducted from the total refund amount. The item must be returned in undamaged, unused condition - in original packaging. We reserve the right to refuse returns or to charge you for our reasonable cost if the product is received otherwise in accordance with these requirements.

ATM will cover all costs of returns for faulty goods. All cases are dealt with by our team on an individual basis. Our team will contact you directly to discuss the next relevant steps.

Please note in some instances replacement parts are needed, and ATM will endeavor to source this as quickly as possible, however there are occasions where parts may need to be shipped / manufactured from overseas and this could take 4-12 weeks, but this is something that would be discussed with our team when this is reported.

Please allow up to 5 working days for us to inspect any returned items for any defects. Once it has been confirmed that the item is in perfect condition and in undamaged original packaging, your order is updated immediately, and a refund will be processed. Once a refund is actioned, we advise it may take up to 7 working days to show in your account.

Based in County Durham and shipping across mainland UK, ATM Living was founded in 2020 with the main objective of making outdoor spaces as aesthetically pleasing as indoor spaces.
