Barber Stop Zone opened its doors in March 2021. Located at just a few steps from the trendy and famed Grand Rue, in the heart of Luxembourg City, Barber Stop Zone transports you into a creative environment with a sophisticated design for the most distinguished and amazing experience like no other.

Our mission is to provide the highest quality service to all our clients with the outmost professionalism in order to create the look that fits them personally. Our goal is to make each client feel confident and help him achieve his perfect look.

The quality of our services is built on a continuous barbers' education in the latest cutting and barber's techniques and is enhanced by the use of exclusive professional hair products to deliver the very best quality results to your hair.

Our team is dedicated to help you feel and look your best. Barber Stop Zone's barbers connect with you on a personal level using their creativity and skills to meet each client's request, help you envision a style that embraces your individuality and lifestyle and goes beyond your expectations.

Our barbers offer you one of a kind experience and are devoted to making sure that each client when leaving the barbershop feels happy and educated about his hair and treatment.

We strongly believe that a warm, welcoming environment and an exceptionally caring staff are two essential elements to allow customers to really relax and focus on their hair transformation.

For us every client is a masterpiece and deserves only the best. We are committed to creating the perfect style for each of our clients. We believe in hair and scalp wellness, and use clean and safe hair care. Our goal is to make your hair look as healthy as possible by choosing the right products for your hair.

Nikolay is the founder and the master barber of Barber Stop Zone. He has been captivated by the art of hair styling since an early age. With over 20 years of experience in the barber industry, Nikolay developed signature cutting and hairstyling skills and a keen eye for perfection and detail.

Genuinely friendly, communicative, positive and hardworking person who can always be relied on, he always makes sure that his clients leave the barbershop looking and feeling their absolute best.

From consultancy to finish Nikolay collaborates with each client and takes great care in explaining different cutting and styling options to create a style that is unique to him and expresses his individuality.

During each visit, Nikolay gives to his clients personalised styling tips and tricks so that each client is able to

recreate their signature look daily at home between salon visits.

„I have seen many changes in styling techniques and hair fashion trends since I've been in the industry, but one thing that stays the same is the feeling I get when I see the smile on a client's face when he is happy with his haircut.
