Portable ev chargers type 2

FREE Delivery is available to Prime members. To join, select "Try Amazon Prime and start saving today with FREE Delivery" below the Add to Cart button and confirm your Prime free trial.

Important: Your credit card will NOT be charged when you start your free trial or if you cancel during the trial period. If you're happy with Amazon Prime, do nothing. At the end of the free trial, your membership will automatically upgrade to a monthly membership.

This item has been tested to certify it can ship safely in its original box or bag to avoid unnecessary packaging. Since 2015, we have reduced the weight of outbound packaging per shipment by 41% on average, that's over 2 million tons of packaging material.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"...One day, the charging would stop after about 45 minutes; I'd have to unplug, replug, and start again, but the charge would interrupt again after..." [Read more](#)

"... September of 2024 I will own this charger for 3 years. It's still going strong. It's still performs and charges at the highest voltage...." [Read more](#)

"... is 2 hours faster and the cord is super thick and well made. I would definitely recommend this charger over the factory one that my car came with...." [Read more](#)

"...Predominantly, it was very reasonably priced whereas others often cost twice as much and prove to do nothing more other than being, well, "trendy..." [Read more](#)

"... liver 40 amps (even though my current car can only handle 30A), it is portable so when I move it's coming with me without an electrician's help,...." [Read more](#)

"Bought this charger based on the positive reviews. It worked flawlessly on my wife's Audi e-Tron as well as her MB EQS 450 SUV when she traded-in...." [Read more](#)
