Santo domingo solar energy

Santo Domingo.- Minister of Energy and Mines, Antonio Almonte, met with representatives from the International Solar Alliance (ISA) and signed a Memorandum of Understanding to hold the Sixth Meeting of the Regional Committee of the International Solar Alliance for Latin America and the Caribbean in Santo Domingo.

The primary goal of the ISA is to promote the efficient use of solar energy to reduce fuel dependence. Countries from across Latin America and the Caribbean will participate in the meeting.

Minister Almonte expressed gratitude to the ISA for selecting the Dominican Republic as the host country and emphasized the country's commitment to decarbonizing its energy matrix through clean energy.

Maranatha Santo Domingo Este solar farm (Parque Solar Maranatha Santo Domingo Este) is a solar photovoltaic (PV) farm under construction in Santo Domingo, Dominican Republic.

To access additional data, including an interactive map of global solar farms, a downloadable dataset, and summary data, please visit the Global Solar Power Tracker on the Global Energy Monitor website.
