Sealed Lead Acid Lithium Batteries Powersport Energy Storage

Power Sonic offer a wide range of innovative battery products including sealed lead acid lithium technologies. This ensures we have the right battery to meet the unique demands of your application.

Utilizing an intelligent Battery Management System (BMS) and Bluetooth(R) communication, the Power Sonic Lithium Bluetooth(R) series ensures you can monitor your battery status and localize any potential issues from a smart phone or tablet.

The proven track record and unrivalled reliability of Power Sonic's sealed lead acid batteries mean they are the batteries of choice in a wide range of essential applications.

Designed to be one of the best golf cart batteries in the industry, Power-Sonic's new PSL-HV-48300-GC2 provides reliable and safe power for any 48V cart. This lithium battery will be lighter, faster, last longer, and take you farther compared to the SLA battery you have today.

Power Sonic's PSL series of lithium-iron phosphate (LiFePO_4) batteries can last up to 10 times longer than competitor lead acid batteries. The PSL series offers outstanding cycle life of up to 5000 cycles.

Power Sonic's range of batteries are designed and manufactured using the latest technology and state-of the art equipment to ensure that they meet the unique demands of each application. We supply a full range of batteries including sealed lead acid, lithium phosphate and pure lead technologies.

Power Sonic's uninterruptible power supply solutions are customized to your exact requirements. We can supply complete UPS systems for anything from home and small office use all the way up to full battery builds for data centres and critical infrastructure.

The DRM is an innovative energy storage solution for smart energy management. A solution that delivers clean, reliable power at the same time as generating revenue for a large range of customers.

Our focused approach to exceptional end to end customer experience sets us apart from the competition. From enquiry to delivery and everything in-between we regularly exceed our customers' expectations.
