

# Solar energy companies solomon islands

Solar energy companies solomon islands

Solomon Island solar panel installers - showing companies in Solomon Islands that undertake solar panel installation, including rooftop and standalone solar systems. 2 installers based in Solomon Islands are listed below.

Solomon Power also supports the installation of small scale grid connected micro embedded generators that convert renewable energy into electricity that can be used in your home or business premises. Sources of renewable energy can include solar photovoltaic cells (PV) or micro-turbine systems. These systems use inverters to operate in parallel with the grid supply at your premises.
