Introducing the Fennel Solar Stake Light, a captivating blend of eco-friendly functionality and elegant design. This sleek and modern outdoor lighting solution is crafted to enhance the ambience of your garden, pathway, or patio while harnessing the power of the sun.

Crafted with durable materials and featuring a slender silhouette, minimalist design adds a touch of contemporary flair to your landscape, whether nestled among lush foliage or lining a winding pathway. Powered entirely by solar energy, this stake light eliminates the need for cumbersome wiring or frequent battery replacements.

The quality of our customer service is just as important as the quality of our solar lights. We are proud to have seal of approval from thousands of positive independent customer reviews. Our website is secure and easy to use and we offer free UK delivery on everything so the price you see is the price you pay.

Our new Lumify range are perfect for those looking for premium quality outdoor solar fairy lights that will work year round in the UK. Lumify offers superior solar power performance backed up by USB charge capability and our new Powersaving mode.
