

Sollatek ghana inverters

Sollatek ghana inverters

Sollatek has grown to become a world leader in voltage protection, power control and energy saving with a primary focus on protecting electrical and electronic equipment against unstable and unreliable voltages.

With over 40 years experience, our 50 strong team of engineers design and manufacture innovative products specifically for harsh developing markets where reliability and affordability are important. We operate from several locations in the world providing excellent logistics and a worldwide warranty that can be serviced in many countries by our Local Sollatek Companies (LSCs).

2018 is a very special year for Sollatek Ghana; it's their 25th anniversary! This special anniversary marks a big occasion for not only Sollatek Ghana but also the Sollatek Group. This is the perfect time to reflect on what has been achieved over the last 25 years. Sollatek Ghana has grown massively and is the […]

Detectives from the Fraud Unit of the Criminal Investigations Department (CID) of the Ghana Police Service have arrested six men for allegedly selling counterfeit products in the market. They are Ansong, 49; Daniel Arthur 32; Kwame and Ezekiel Sunday Ani, 42. The suspects were found selling electrical gadgets, mostly Sollatek fridge and television guards believed […]
