

# Sucre reduced carbon emissions

Sucre reduced carbon emissions

Thank you for visiting nature . You are using a browser version with limited support for CSS. To obtain the best experience, we recommend you use a more up to date browser (or turn off compatibility mode in Internet Explorer). In the meantime, to ensure continued support, we are displaying the site without styles and JavaScript.

The agricultural production data that support these findings are publicly available in the FAOSTAT repository <https://> and the USDA Foreign Agricultural Service repository <https://>

The research received financial support from the Spanish Ministry of Science and Innovation through the "Mar?a de Maeztu" Programme for Units of Excellence (CEX2019-000940-M) and from the European Union through an Advanced European Research Council Grant under the EU's Horizon 2020 programme (grant agreement number 741087).
