If you agree, we may use your personal information from any of these Amazon services to personalize the ads we show you on other services. For example, we may use your Prime Video Watch history to personalize the ads we show you on our Stores or on Fire TV. We may also use personal information we receive from third parties (like demographic information).

We feature offers with an Add to Basket button when an offer meets our high quality standards for: Price, Delivery option, and Customer service "No featured offers available" means no offers currently meet all of these expectations. Select See All Buying Options to shop available offers.

Consumers are legally obliged to return old batteries or batteries as end users. Batteries are not to be disposed of with household waste, but can be returned free of charge to the seller or in the designated return points (for example in municipal collection points or in the retail) after use. Used batteries/batteries can also be sent back to the seller by shipping sufficiently pre-paid or delivered directly at the shipping warehouse by the seller at the following address:

The symbol of the crossed-out wheelie bin means that batteries/batteries must not be thrown into household waste. For batteries containing more than 0.0005 percent by mass mercury, more than 0.002 percent cadmium by mass or more than 0.004 percent by mass of lead, there is the chemical name of the pollutant used under the wheelie bin symbol - "Cd" stands for cadmium, "Pb" is for lead, and "Hg" for mercury.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyses reviews to verify trustworthiness.

This item has been tested to certify that it can dispatch safely in its original box or bag to avoid unnecessary packaging. Since 2015, we have reduced the weight of outbound packaging per shipment by 41% on average, that's over 2 million tons of packaging material.
